01234 - 712724  
bert@flynva.org

More information on the NVA Website: [www.flynva.org](http://www.flynva.org)

### Introduction to the Club

Nene Valley Aeromodellers (NVA) are a group of enthusiasts enjoying a range of activities associated with fixed-wing and helicopter aeromodelling. Areas of radio controlled flying expertise and interests include power, scale, glider, sports and electric modelling. Control line and free-flight are also catered for.

Our annual membership is usually about 60 to 100 people, both adults and juniors. Experienced members will advise you on initial model set-up and provide flight training and assistance where required using your own aircraft or the clubs own trainer. Novice members are always welcome and are given full training in the proper construction and operation of their models. In addition to this the club organises examinations for Flying Proficiency Certificates through its affiliation with the British Model Flying Association (BMFA).

During the year the club organises a wide range of activities including aerobatic, glider, scale and helicopter competitions, occasional winter evening meetings and other events. The club provides flying facilities at a superb 3.7 acre field between Olney and Yardley Hastings, just off the B5388. The site has a large hard standing, off road car park for use in the winter months. Locations, flying times and rules are published in the NVA handbook. The best time to meet other members enjoying fixed wing flying is Sunday morning at the Olney field. For helicopter enthusiasts, Saturday morning is the best time to meet people with similar interests, again at the Olney field. **(Club T-Shirts and baseball caps are available – see our website [www.flynva.org](http://www.flynva.org) or call a committee member for details)**

### Membership Application

The membership form below should be filled in and returned to the treasurer at the address above together with the annual subscription fee. A copy of the Club's Constitution and General Rules are available on request. All members are required to join the BMFA as a condition of membership, which can be paid to the NVA together with your subscriptions.

**NOTE – DO NOT FLY BEFORE YOUR SUBSCRIPTIONS ARE PAID, YOU HAVE NO INSURANCE**  
***Anyone using the NVA field under the age of 18 must be accompanied by a parent or guardian***

	ADULT	JUNIOR (under 18)	JUNIOR (Family member)	SENIOR (60+)
